Borrower ID/Name
Address

Password protected PDF files will not be accepted. Individual documents may be added to the image repository by entering information into the Add and Index Individual Documents(s) section. File size is limited to no more than 30 MB per document or file.

Add and Index Individual Document(s) into the Image Repository

Individual documents added to the system with specified index values will retain their original file format. User must select the Type of Document and provide the File path for each individual document on a separate row by selecting the Browse pushbutton. If additional rows are needed, press the Insert more Documents pushbutton and three additional rows will appear. Up to 12 individual documents can be uploaded at a time. Press the Submit Document(s) pushbutton to upload the document(s) into the image repository.

Type of Document	File Name	
11001 Spec Forbearance Servic	C:\Documents and Settings	Browse...
Select		Browse...
Select		Browse...

Select the Type of Document and then click Browse to select the File. If you have more than 3 documents to upload click the 'Insert more Documents' button. A total of 12 documents can be added at one time.

Click the 'Submit Document(s)' button when all documents have been selected.

You will get the following pop up:

I understand I am providing all information included on forms and attachments to the United States Department of Agriculture (USDA) for review and processing.

My statements on any submitted forms and attachments are true, and correct to the best of my knowledge and belief and are made in good faith.

I understand that a knowing and willing false statement can be punished by a fine or imprisonment or both. (See Title 18, Section 1001, of the United States Code.)

Are you sure you want to Submit the package?

Click 'Yes' if you agree to Submit the package

The screenshot shows the USDA Lender Upload Document(s) interface. At the top is the USDA logo and the title 'Lender Upload Document(s)'. Below this is a navigation bar with links for 'LINC HOME', 'FSA/LINC HOME', 'RBS/LINC HOME', 'RHS/LINC HOME', 'RUS/LINC HOME', and 'HELP'. The main content area is titled 'Borrower Information' and contains a form with fields for 'Borrower ID/Name' and 'Address', both of which are redacted with a black box. Below this is a red warning message: 'Password protected PDF files will not be accepted. Individual documents may be added to the image repository by entering information into the Add and Index Individual Documents(s) section. File size is limited to no more than 30 MB per document or file.' The next section is 'Add and Index Individual Document(s) into the Image Repository', followed by another red warning message: 'Individual documents added to the system with specified index values will retain their original file format. User must select the Type of Document and provide the File path for each individual document on a separate row by selecting the Browse pushbutton. If additional rows are needed, press the Insert more Documents pushbutton and three additional rows will appear. Up to 12 individual documents can be uploaded at a time. Press the Submit Document(s) pushbutton to upload the document(s) into the image repository.' The form contains a table with two columns: 'Type of Document' and 'File Name'. The first row has a dropdown menu with '11001 Spec Forbearance Servic...' selected, a text field with 'C:\Documents and Settings' and a 'Browse...' button. The second and third rows have 'Select' in the dropdown menu and empty text fields with 'Browse...' buttons. Below the table is an 'Insert more Documents' button. At the bottom of the form are four buttons: 'Submit Document(s)', 'Reset', 'Upload Documents Completed', and 'Cancel'. An arrow points from the 'Upload Documents Completed' button to the text below.

Click the 'Upload Documents Completed' button when you have finished uploading documents.

To View the documents you upload click on 'Lender Display Document' hyperlink:

Enter the Borrower ID, Borrower SSN or Lender Loan Number and click OK.
